Producer, DJ, Musician, Entrepreneur and electronic music enthusiast, Tony "**STATIS**" Romanelli comes from **Surf City, North Carolina**. When not performing, **STATIS** spends his time in his home studio producing varying electronic music, often described as a mix between **Dubstep** and **Future Bass**. Having over ten years of experience in the music industry, holding endorsements from industry-renown companies such as Shine Drums, TRX and more, playing at local clubs alongside local hard-hitters and national acts alike, **STATIS** has taken a lot of time to develop his sound. For **STATIS**, his goal is to take listeners on an emotional and audio-visual journey through time. Don't be surprised when you suddenly find yourself lost in an audio-visual dream as you listen to his music.
